

Abba Medley

Dancing queen

Ahahah..
Ohohoho...

You can dance, you can jive, having the time of your life
Ooo.. see that girl, watch that scene, diggin the Dancing Queen

Mamma Mia

Just one look and I can hear a bell ring
One more look and I forget everything, o-o-o-oh

Mamma mia, here I go again
My my, how can I resist you?
Mamma mia, does it show again?
My my, just how much I've missed you

Yes, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go?
Mamma mia, now I really know
My my, I could never let you go

SOS

So when you're near me, darling can't you hear me
S. O. S.
The love you gave me, nothing else can save me
S. O. S.
When you're gone
How can I even try to go on?
When you're gone
Though I try how can I carry on?

Honey Honey

Honey honey, how you thrill me, ah-hah, honey honey
Honey honey, nearly kill me, ah-hah, honey honey
I'd heard about you before
I wanted to know some more
And now I know what they mean, you're a love machine
Oh, you make me dizzy

Honey honey, let me feel it, ah-hah, honey honey
Honey honey, don't conceal it, ah-hah, honey honey
The way that you kiss goodnight (The way that you kiss me goodnight)
The way that you hold me tight (The way that you're holding me tight)
I feel like I wanna sing when you do your thing

Lay all your love on me

But now it isn't true
Now everything is new
And all I've learned has overturned
I beg of you.....

Don't go wasting your emotion
Lay all your love on me
Don't go sharing your devotion
Lay all your love on me

Voulez vous

Voulez-vous (ah-ha)
Take it now or leave it (ah-ha)
Now is all we get (ah-ha)
Nothing promised, no regrets

Voulez-vous (ah-ha)
Ain't no big decision (ah-ha)
You know what to do (ah-ha)
La question cest voulez-vous
Voulez-vous

Thank you for the music

So I say
Thank you for the music, the songs I'm singing
Thanks for all the joy they're bringing
Who can live without it, I ask in all honesty
What would life be?
Without a song or a dance what are we?
So I say thank you for the music
For giving it to me...
