

### **Chasing Pavements**

I've made up my mind  
Don't need to think it over  
If I'm wrong I am right  
Don't need to look no further  
This ain't lust  
I know this is love but  
If I tell the world  
I'll never say enough  
Cause it was not said to you  
And that's exactly what I need to do  
I end up with you (If I'm in love with you – oorspronkelijke text)

If I'm in love with you  
Should I give up  
Or should I just keep chasing pavements?  
Even if it leads nowhere  
Or would it be a waste?  
Even If I knew my place should I leave it there?  
Should I give up  
Or should I just keep chasing pavements?  
Even if it leads nowhere

### **Set fire to the rain**

I let it fall, my heart,  
And as it fell you rose to claim it  
It was dark and I was over  
Until you kissed my lips and you saved me  
My hands, they're strong  
But my knees were far too weak  
To stand in your arms  
Without falling to your feet  
But there's a side to you  
That I never knew, never knew  
All the things you'd say  
They were never true, never true  
And the games you play  
You would always win, always win

But I set fire to the rain  
Watched it pour as I touched your face  
Well, it burned while I cried  
'Cause I heard it screaming Out your name

### **Turning tables**

Close enough to start a war  
All that I have is on the floor  
God only knows what we're fighting for  
All that I say, you always say more  
I can't keep up with your turning tables  
Under your thumb, I can't breathe  
So I won't let you close enough to hurt me  
No, I won't ask you, you to just desert me  
I can't give you, what you think you gave me  
It's time to say goodbye to turning tables, yes  
To turning tables  
Under haunted skies I see you  
Uuh, and when love is lost, your ghost is found  
I braved a hundred storms to leave you  
As hard as you try, no I will never be knocked down  
'Cause I can't keep up with your turning tables

### **Hello**

Hello from the other side  
I must have called a thousand times  
To tell you I'm sorry for everything that I've done  
But when I call, you never seem to be home  
Hello from the outside  
At least I can say that I've tried  
To tell you I'm sorry for breaking your heart  
But it don't matter it clearly doesn't tear you apart anymore
