

Adele Medley

Chasing pavements

I've made up my mind
Don't need to think it over
If I'm wrong I am right
Don't need to look no further
This ain't lust
I know this is love but
If I tell the world
I'll never say enough
Cause it was not said to you
And that's exactly what I need to do
If I end up with you
Should I give up
Or should I just keep chasing pavements?
Even if it leads nowhere
Or would it be a waste?
Even if I knew my place should I leave it there?
Should I give up
Or should I just keep chasing pavements?
Even if it leads nowhere

SET FIRE TO THE RAIN

I let it fall, my heart,
And as it fell you rose to claim it
It was dark and I was over
Until you kissed my lips and you saved me
My hands, they're strong
But my knees were far too weak
To stand in your arms
Without falling to your feet
But there's a side to you
That I never knew, never knew
All the things you'd say
They were never true, never true

And the games you play
You would always win, always win
But I set fire to the rain
Watched it pour as I touched your face
Well, it burned while I cried
'Cause I heard it screaming Out your name,
Your name

Turning Tables

Close enough to start a war
All that I have is on the floor
God only knows what we're fighting for
All that I say, you always say more
I can't keep up with your turning tables
Under your thumb, I can't breathe
So I won't let you close enough to hurt me
No, I won't ask you, you to just desert me
I can't give you, The heart you think you gave me
It's time to say goodbye to turning tables, turning tables
To turning tables bles

Hello

Hello from the other side
I must have called a thousand times
To tell you I'm sorry for everything that I've done
But when I call you never seem to be home
Hello from the outside
At least I can say that I've tried
To tell you I'm sorry for breaking your heart
But it don't matter it clearly doesn't tear you apart anymore

Rolling in the deep

There's a fire starting in my heart
Reaching a fever pitch and it's bringing me out the dark
Finally I can see you crystal clear

Go 'head and sell me out and I'll lay your shit bare
See how I leave with every piece of you
Don't underestimate the things that I will do
There's a fire starting in my heart
Reaching a fever pitch and its bringing me out the dark
The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love they leave me breathless, I can't help feeling
We could have had it all
Rolling in the deep
You had my heart inside of your hand
And you played it to the beat
We could have had it all
Rolling in the deep
You had my heart inside your hand
And you played it, you played it, you played it, you played it
To the beat

When we were young

I was so scared to face my fears
Nobody told me that you'd be here
And I swear you moved overseas
That's what you said, when you left me
You look like a movie
You sound like a song
My God, this reminds me
Of when we were young
Let me photograph you in this light
In case it is the last time
That we might be exactly like we were
Before we realized
We were sad of getting old
It made us restless
It was just like a movie
It was just like a song

When we were young
When we were young
When we were young
When we were young
When we were young, When we were young
It's hard to admit that
When we were young
 Everything just takes me back
When we were young
 To when you were there
When we
 To when you were there
When we were young
 And a part of me keeps holding on
When we were young
 Just in case it hasn't gone
When we were young
 I guess I still care
Do you still care?
It was just like a movie
It was just like a song
My God, this reminds me
Of when we were young
Let me photograph you in this light
In case it is the last time
That we might be exactly like we were
Before we realized
We were sad of getting old
It made us restless
I'm so mad I'm getting old
It makes me reckless
It was just like a movie
It was just like a song
When we were young
