Midnight creeps so slowly into hearts,  
of men who need more than they get  
daylight deals a bad hand,  
to a woman who has laid to many beds

The mirror stares you in the face and says  
"baby, uh uh it don't work"  
you say your prayers though you don't care  
you dance and shake the d'uhhhh dance

All the love in the world can't be gone  
all the need to be loved can't be wrong  
All the records are playing  
and my heart keeps saying  
Bo-ogie wonderland, wonderland

As one \_\_\_\_\_

Come to see, victory in a land called fantasy,  
loving life, for you and me, to behold, to your soul is ecstasy  
You will find, other kind, that has been in search for you,  
many lives has brought you to  
recognize it's your life, now in review \_\_\_\_\_  
and as you stay for the play, fantasy, has in store for you,  
a glowing light will see you through

It's your day, shining day, all your dreams come true \_\_\_\_\_  
(verder in A-cappella)

As you glide, in your stride with the wind, as you fly away  
give a smile, from your lips, and say  
I am free, yes I'm free, now I'm on my way \_\_\_\_\_
