## Africa

The wild dogs, cry out in the night

As they grow restless, longing for some solitary, com-pany

I know that I must do what's right

Sure as kilimanjaro rises like Olympus, above the se-rengeti

~~I seek to cure what's deep inside,~~

↑ frightened of this thing that I've becooo ↓ hom

+It's gonna take a lot to drag me away from you

+There's nothing that a hundred men or more could ever do

↓ I bless the rains down in africa

↓ Gonna take some time to do the things we never ha-he-he-he-hed,  
to doo

Stop lovin you

↓ Reflections in my mind, ↓ thoughts I can't define  
↓ My heart is racing and the night goes on-hon  
↓ A distant memory ↓ flashes over me  
↓ Even though you're gone, I feel you ↑ deep insi-hihide <  
Oehoeh oeh →  
+ Dance beneath, the light with that look in your ↑ eyes  
↓ I → can't stop loving ↑ you,  
time passes quickly and ↑ chances are few  
-- ↓ I won't stop till I'm through loving you, boy

~~There's a window in a heart,  
I've tried to look through from the start  
You're never really sure what someone else is thinking  
Someone's broken something new, another altered point of view  
Just a certain someone's conscience playing~~

~~I held it in my hand, I did not understand  
What lives inside the wind that cries her name  
Tried to catch a shooting star,  
what seems so close can't be that far  
I'm living in a dream that's never ending~~

**Ohohoh**

**Dance beneath the light with that ↑ look in your eyes**

↓ I → can't stop loving ↑ you,  
time passes quickly and ↑ chances are few
