Let's go back, let's go back – let's go way on way back when – back when

I didn't even know you, you could'na been too much more than ten – *then ten*

Yeah think – think, think – Let your mind go, let yourself be free, oh

Freedom – freedom – freedom – freedom – freedom, - oh freedom – right now

Freedom – freedom – freedom – freedom – freedom, - oh freedom – right now

Hey – think – think about – think – you – think – think about

There ain't nothin' you could ask I could answer you with I want – I want

But I was gonna change to I'm not if you keep doin' things I don't – I don't

Yeah think – think – think about what you're tryin' to do to me

Baby think – think, think – Let your mind go let yourself be free

People walkin' around ev'ry day *playin' games and takin' scores*

Tryin' to make other people lose their minds well be careful you don't lose yours

Yeah think – think – think about what you're tryin' to do to me

Yeah think – think, think – Let your mind go let yourself be free

You need me – *need me* – and I need you – *don't you know*

Without eachother there ain't nothing either can do

Yeah yeah think about me – what you try to do to me

To the bottom line, think about it right now

Freedom – freedom – freedom – freedom – freedom - oh freedom – right now

Freedom – freedom – freedom – freedom – freedom - oh freedom – right now

Hey – think – think about – think – you – think – think about

There ain't nothin' you could ask I could answer you with I want – I want

But I was gonna change to I'm not if you keep doin' things I don't – I don't
