

Titel : You Give Me Something

Artiest : James Morrison

You want to stay with me in the morning
You only hold me when I sleep,
I was meant to tread the water
Now I've gotten in too deep,
For every piece of me that wants you
Another piece backs away.

'Cause you give me something
That makes me scared, alright,
This could be nothing
But I'm willing to give it a try,
Please give me something
'Cause someday I might know my heart.

You already waited up for hours
Just to spend a little time alone with me,
And I can say I've never brought you flowers
I can't work out what they mean,
I never thought that I'd love someone,
That was someone else's dream.

'Cause you give me something
That makes me scared, alright,
This could be nothing
But I'm willing to give it a try,
Please give me something,
'Cause someday I might call you from my heart,
But it might be a second too late,
And the words that I could never say
Gonna come out anyway.

'Cause you give me something
That makes me scared, alright,
This could be nothing
But I'm willing to give it a try,
Please give me something,
you give me something
That makes me scared, alright,
Please give me something
'Cause someday I might know my heart.
Know my heart, know my heart
Know my heart, know my heart
